GAZETTE DEADLINES .....	2716
-------------------------	------

## USING THE GAZETTE

The Virgin Islands Official Gazette is the official newspaper of the Government of the Virgin Islands. It is published weekly on Thursdays. Extraordinary editions are published as and when required.

Closing time for lodging notices is 3 p.m. on Monday in the week prior to publication. Early deadlines apply in cases of public holidays. Please refer to the schedule of deadlines at the back of the Gazette for specific deadlines. Late notices are accepted at the publisher's discretion only.

Notices must be accompanied by payment and written instructions. All dates, proper names, and signatures must be shown clearly, and contact details for the person responsible for the notice must be included.

Notices will be returned unpublished if not submitted in accordance with these requirements.

The *Official Gazette* reserves the right to apply its in-house style, and to reject notices which do not meet its requirements.

Kindly address notices and other correspondence to:

**GOVERNMENT****Departmental Notices****OFFICE OF THE SUPERVISOR OF ELECTIONS****NOTICE REQUIRING PERSONS TO REGISTER AS  
VOTERS IN ACCORDANCE WITH SECTION 4(1)(C)  
OF THE ELECTION ACT NO. 16 OF 1994****14064 TAKE NOTICE** that –

in accordance with sections 6(1) and 14 of the Elections Act any person qualified as a voter under Section 68 of the Constitution may apply to the Supervisor of Elections for registration as a voter.

1. A person resident in the Virgin Islands may apply in Form No. 1 of the Second Schedule to the Act.
2. A person resident in the United States Virgin Islands may apply in Form No. 7 of the Second Schedule to the Act.
3. Application Forms Nos. 1 and 7 may be obtained at the Office of the Supervisor of Elections, as well as the following places –
  - (a) The District Officer, Anegada
  - (b) The Post Office, North Sound, Virgin Gorda
  - (c) The Post Office, Valley, Virgin Gorda
  - (d) The Post Office, East End
  - (e) The Post Office, Road Town
  - (f) The Post Office, West End
  - (g) The Post Office, Carrot Bay
  - (h) The Post Office, Cane Garden Bay
  - (i) The Government Office, Jost Van Dyke

Form No. 7 is also available at the Office of Smith's Ferry in St. Thomas.

4. The qualifications for voters are set out in Section 68 of the Virgin Islands (Constitution) Order 2007, which is in the following terms:

**Qualification of voters** “68.

(1) Subject to subsection (3),  
a person shall be qualified to be registered as a voter for the purposes of elections if, and shall not be so qualified unless, he or she belongs to the Virgin Islands and on the qualifying date has attained the age of eighteen years and he or she either -

- (a) is domiciled and resident in the Virgin Islands on the qualifying date; or
- (b) on that date is domiciled in the Virgin Islands and resident in the United States Virgin Islands:

- (2) Subject to subsection (3), any person who was qualified to be registered as a voter immediately before the commencement of this Constitution shall continue to be so qualified thereafter.

- (3) No person shall be qualified to be registered as a voter under this Section who on the qualifying date –
- a. is a person certified to be insane or otherwise adjudged to be of unsound mind under any law in force in the Virgin Islands;
  - b. is disqualified by or under any such law from being registered as a voter for the purposes of elections by reason of his or her having been convicted of an offence relating to elections; or
  - c. is under sentence of death imposed on him or her by a court or is serving a sentence of imprisonment (by whatever named called) for a term exceeding twelve months imposed on him or her by a court or substituted by competent authority for some other sentence imposed on him or her by a court.
- (4) In this Section “the qualifying date” means such date as may be appointed by or under any law in force in the Virgin Islands as the date with reference to which the qualifications or any person for registration are to be ascertained.
- (5) For the purposes of subsection (3)(c) –
- a. two or more sentences of imprisonment that are required to be served consecutively shall be regarded as separate sentences if none of those sentences exceeds twelve month, but if any one of those sentences exceeds that term they shall be regarded as one sentence, and
  - b. no account shall be taken of a sentence of imprisonment imposed as an alternative to or in default of the payment of a fine.

App. No. 7446

**14080** Amazon Technologies, Inc. has applied on 17<sup>th</sup> January, 2017 for Registration of a Trade Mark in respect of the logo below in the following classes:

**Class 9:** Scientific, nautical, surveying, photographic, cinematographic, optical, weighing, measuring, signaling, checking (supervision), life-saving and teaching apparatus and instruments; apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity; apparatus for recording, transmission or reproduction of sound, images or data; magnetic data carriers, recording discs; compact discs, DVDs and other digital recording media; mechanisms for coin-operated apparatus; cash registers, calculating machines, data processing equipment, computers; computer software; fire-extinguishing apparatus; software; computers, tablet computers, laptop computers, electronic book readers, audio and video players, personal digital assistants, global positioning system devices, cameras, video cameras, televisions, projectors, phones, mobile phones, hardware for content streaming, and electronic and mechanical parts, fittings, remote controls, cases, covers, and stands for all the aforesaid goods; computer peripheral devices; monitors, displays, wires, cables, modems, printers, monitors, keyboards, computer mice, trackballs, disk drives, data storage apparatus, adapters, adapter cards, cable connectors, plug-in connectors, power connectors, power converters, power adapters, docking stations, and drivers; batteries, battery packs, battery chargers; battery packs; memory cards and memory card readers; speakers, microphones,

headphones, earbuds and headsets; electronic docking stations; downloadable pre-recorded audio and audiovisual content, information, and commentary; electronic books, periodicals, and other publications; sound recordings; video recordings; cinematographic films; exposed photographic films or slides; blank digital storage media; calculators; camera tripods; computer network routers and hubs; computer peripherals in the nature of wireless cards; downloadable audio, video and audiovisual content provided via computer and communications networks featuring movies, TV shows, videos and music; downloadable digital audio files featuring music, news, voice and spoken word; game software; Computer-software development tools; radio receivers, turntables, amplifiers, equalizers, speakers; radio transmitters; car audio apparatus; user manuals in electronically readable, machine readable or computer readable form for use with, and sold as a unit with, all the aforementioned goods; parts and fittings for all the aforesaid goods.

**Class 35:** Advertising; business management; business administration; office functions; computerized data management; administrative processing of purchase orders; updating of advertising material; compiling of cost analyses; direct mail advertising; advertising by mail order; employment agencies; auctioning; bookkeeping; accounting; auditing; searching for data in computer files for others; shop window dressing; demonstration of goods; distribution of samples; invoicing services; television advertising; commercial information agency services; business investigations; import and export agencies; assistance with the procurement of goods and services for others; business information services; commercial administration of the licensing of the goods and services of others; compiling statistics; compilation and systemization of data into computer databases; copying of documents; layout services for advertising purposes; online advertising; market analysis; marketing research; modeling for advertising or sales promotion; cost analysis; relocation services for businesses; opinion polling; organization of exhibitions or trade fairs for commercial or advertising purposes; personnel recruitment; price comparison services; presentation of goods on communication media for retail purposes; psychological tests in connection with selection of personnel; public relations; radio advertising; efficiency expert services; publicity agencies; dissemination of advertising matter; advertising management; transcription; sales promotion for others; price comparison; secretarial services; writing of publicity texts; sorting and editing of information in computer databases; research for sponsorship; searching for data in computer databases for others; arranging newspaper subscriptions for others; arranging telecommunications subscriptions for others; word processing; preparation of payrolls; development of advertising articles; distribution of samples; outdoor advertising; preparation of tax returns; rental of copiers; rental of publicity material; rental of advertising space; renting out of advertising time in communication media; rental of vending machines; business appraisals; economic forecasting; advertising services, namely the dissemination of advertising matter for others via the internet; providing a searchable online commercial database featuring screenplays, music, movies, television shows, multimedia presentations, computer software, audio files, comic books, and publications; market research and information services; compiling of information into computer databases; online retail services, online trading services, online retail and wholesale distributorship services, retail store services, mail order sales; computerized processing of online purchase orders; compilation of business information into searchable databases available via a global computer network; compilation of advertising information featuring the goods and services of other online vendors into an online advertising guide; providing an online commercial information directory; computerized database management services; online ordering services; customer loyalty program services featuring rewards in the form of discounted shipping services; retail services, namely, administration of a discount program for enabling participants to obtain discounts on shipping services through use of a discount membership program and variable rate shipping program; promoting the use of credit cards via an incentive rewards program; customer incentive program whereby participants earn benefits and other products and services for the purpose of promoting and rewarding loyalty; business intermediary services for the sale and purchase of goods and services; auction services; classified advertising services; database services to enable others to conveniently view and select services from a website; compilation of computer databases for transmitting, displaying and storing transactions, identification and financial information; information services, namely, providing information about retail products to customers, featuring the availability of specific products of interest to them; online business information services, namely analyzing an individual's preferences and providing product reviews and recommendations; computerized processing of online purchase orders; providing an online commercial information directory; providing consumer product information via the Internet or other communications networks; providing a searchable database in the field of business information available via a global computer network; providing a searchable online advertising guide featuring the goods and services of others; dissemination of advertising for others via an online electronic communications network; product merchandising; promoting the goods and services of others through limited availability discount offers; subscriptions to books, reviews, or comic books; advertising services, namely, promoting the goods and services of others; database management services;

online searching and ordering services featuring movies, television programs, and other audiovisual works in the form of DVDs, digital downloads and streaming.

**Class 36:** Insurance; financial affairs; monetary affairs; real estate affairs; credit card services; electronic transaction services; pre-paid purchase card services, namely, processing electronic payments through pre-paid cards.

**Class 38:** Telecommunications; providing online electronic bulletin boards for the transmission of messages among computer users in the field of consumer product information; webcasting services; delivery of messages by electronic transmission; telecommunication services, namely, electronic transmission of streamed and downloadable audio and video and multimedia content files via computer and other communications networks; audio broadcasting of spoken word, music, concerts and radio programs; wireless broadband communications services; text and numeric digital wireless messaging services; communication via wireless electronic book readers; providing access to an interactive database of information concerning consumer goods, product reviews and purchase information on the Internet; electronic transmission of information and data; providing access to online directories, databases, current events websites and blogs, and online reference materials; streaming of audio, visual and audiovisual material via the Internet; transmission of webcasts and podcasts; providing online services that enables users to access and share content, text, visual works, audio works, audiovisual works, literary works, data, files, documents and electronic works; providing video on-demand transmission of computer games; providing directories for telephone numbers, business addresses, electronic mail addresses, network home page addresses, addresses and telephone numbers of people, places, and organizations; information access, and remote data management for wireless delivery of content to handheld computers, laptops and mobile electronic devices; transmission of audio, video, and data by electronic means in the nature of computer, cable, radio, teleprinter, teletetter, telephone, mobile phone, electronic mail, microwave, laser beam, communications satellite or electronic communication means.

**Class 39:** Transport; travel arrangement; storage of goods and containers; packaging of goods; express delivery services; goods transportation services; escrow services for computerized storage of data or documents; storage of electronic media, namely, images, text, video, and audio data.

**Class 41:** Education; providing of training; entertainment; sporting and cultural activities; provision of information relating to entertainment; publication of books and periodicals; providing online non-downloadable electronic publications; publication of electronic books and periodicals; publication of material on magnetic or optical data media; publication of music online; rental of videos, audio recordings and games; distribution of radio and television entertainment, games, films, music, interactive advertising; hire, leasing and rental of television, television time shift, or radio apparatus, games, films, interactive television programs and/or services, sound or video recordings; distribution or rental of motion pictures; rental of apparatus for receiving cinematographic films, sound or video; provision of information in the field of entertainment online; organization of competitions; providing online information relating to entertainment, business, news or education; providing online electronic publications (not downloadable); entertainment services, namely movies, motion pictures, documentaries, films, television programs, graphics, animation, and multimedia presentations, and other audiovisual works viewable over computer networks and global communication networks; providing databases featuring general news and information; rental services, namely, rental of cinema films, documentary films, motion pictures, films, sound recordings, multimedia presentations, electronic books and publications, video recordings, musical recordings, multimedia recordings, and video and computer games; providing information, reviews and personalized recommendations in the field of entertainment; providing information relating to contests and games; providing recognition and incentives by way of awards and contests; providing a website that allows users to review screenplays, movies, television shows, graphic images, storyboards and entertainment properties; providing a website featuring blogs and non-downloadable publications in the field of entertainment; providing reviews for television, movies, and entertainment; providing a website featuring non-downloadable audio and video content; consultancy in the field of entertainment and the entertainment industry; provision of information relating to entertainment; publishing of books, magazines, periodicals, literary works, visual works, audio works, and audiovisual works; providing online computer games; providing information, news, articles and commentary in the field of education and educational institutions; education services in the nature of classroom instruction and online remote learning; interactive educational services in the nature of computer-based and computer-assisted instruction; movie, television, radio and other video and audio production and studio services; editing, scriptwriting, dubbing, and music composition services; providing information online relating to computer games and computer enhancements for games; consultancy in the field of entertainment and the entertainment industry.

**Class 42:** Scientific and technological services and research and design relating thereto; computer hardware, software, application, and network consulting services; computer programming; industrial analysis and research services; design and development of computer hardware and software; computer services, namely remote hosting of operating systems and computer applications; providing a virtual computing environment accessible via the Internet; rental of computing and data storage facilities of variable capacity; providing software, non-downloadable, accessible over a global computer network, for managing computer applications; constructing an Internet platform for electronic commerce; designing, managing and monitoring online forums for discussion; creating web pages for online services and the Internet; data warehousing; rental of web servers; website maintenance, creation and hosting services; application service provider, namely, providing, hosting, managing, developing and maintaining applications, software, websites and databases in the fields of e-commerce, online payments, order queuing, website design, data storage, shared computing capacity scaling, messaging services and calculation of website ranking based on user traffic; consultancy services relating to multimedia applications management, presentation and control, computer programming, hardware, software and computer system design, specification and selection and electronic communication; editing, updating, maintenance and support services for hardware, software and computer systems; computer services relating to multimedia applications management, presentation and control, research, database management, facilities management and outsourcing; computer services, namely hosting a computerized online search and ordering service featuring the wholesale and retail distribution of music, books, movies, motion pictures, television programs, games, toys, sporting goods, electronics, multimedia presentations, videos and DVDs, and other household and consumer goods; hosting an online service for analyzing personal preferences and generating recommendations; computer services, namely hosting an online database featuring a wide range of general interest information via the Internet; computer services, namely, providing search engines for obtaining general interest information; hosting an interactive database for transmission of messages among computer users and subscribers concerning music, books, movies, motion pictures, television programs, games, toys, sporting goods, electronics, multimedia presentations, videos and DVDs, and other household and consumer goods, product reviews and purchase information on the Internet; industrial analysis and research services; providing online non-downloadable Internet browser software; providing non-downloadable mobile communications device software for enhancing mobile access to the Internet via computers, mobile computers, and mobile communications devices; technical support, namely, troubleshooting of computer hardware and software problems and mobile computer and mobile communications device hardware and software problems; computer hardware and software consultation and design; hosting of third party content, photos, videos, text, data, images, web sites and other electronic works; providing search engine services; interactive hosting services which allow users to publish and share their own photos, videos, text, data, images online; computer services, namely, creating virtual communities for users to participate in discussions, obtain feedback, form virtual communities, and engage in social networking; maintenance and updating of software relating to computer, Internet and password security and prevention of computer, Internet and password risks; computer software installation and maintenance; providing a website featuring technical information relating to computer software and hardware; document data transfer from one computer format to another; hosting of digital content on global computer networks, wireless networks, and electronic communications networks; providing search platforms to allow users to request and receive, content, text, visual works, audio works, audiovisual works, literary works, data, files, documents and electronic works; providing temporary use of non-downloadable computer software and online facilities to enable users to access and download computer software; providing temporary use of online non-downloadable computer software that generates customized recommendations of software applications based on user preferences; monitoring of computerized data and computer systems and networks for security purposes; Hosting, scaling and maintaining online databases for others; cloud computing featuring software for use in database management; cloud hosting of electronic databases; application service provider (ASP) featuring software for use in database management; platform as a service (PAAS) featuring computer software platforms for use in database management; software as a service (SAAS) featuring software for use in database management; computer services, namely, providing database servers of variable capacity to others; providing a website featuring non-downloadable software for database management; providing hosted operating systems and computer applications through the Internet; rental of computing and data storage facilities of variable capacity; providing, developing and designing software, non-downloadable, accessible over a global computer network, for managing computer applications; constructing an Internet platform for electronic commerce; designing, managing and monitoring online forums for discussion; creating electronically stored web pages for online services and the Internet; data warehousing; elaboration and maintenance of websites for third parties; managing websites for others; rental of web servers; website maintenance, creation and hosting services; hosting a website that gives users the ability to review various print, photographic, graphic image, and

audio and video content and utilize a custom template to provide input, likes, dislikes, edits, changes, modifications, opinions, suggestions, and comments and engage in social, business and community networking; computer services, namely, creating an online community for registered users to participate in discussions, get feedback from their peers, form virtual communities, and engage in social networking all in the field of entertainment and the entertainment industry; providing temporary use of online non-downloadable software and applications for accessing streaming audio and video files, games, social networks, text files and multimedia files; developing and maintaining computer hardware and software for providing integrated telephone communication with computerized global information networks, including parts and accessories therefor; developing and maintaining downloadable software for accessing and managing of computer applications over a global computer network; developing and maintaining character recognition, electronic mail and messaging software; video and computer game design and development services; providing temporary use of online non-downloadable software development tools for the design and development of electronic games; providing temporary use of online non-downloadable software and applications for accessing streaming audio and video files, games, social networks, text files and multimedia files; technical support services, namely, troubleshooting of software problems; application service provider (ASP) featuring software for use in relation to visual images, namely, software for digital animation and special effects of images, video games, and motion pictures; application service provider (ASP) featuring application programming interface (API) software including such software for the streaming, storage, and sharing of video games, content, data and information; providing non-downloadable software applications; providing temporary use of online non-downloadable cloud computing software for use in electronic storage of data; computer software development in the field of mobile applications; application service provider (ASP), namely, hosting, managing, developing, and maintaining applications, software, and websites, in the fields of personal productivity, wireless communication, and mobile; providing technical support services regarding the usage of communications equipment; creating an online community for registered users to participate in discussions, to share content, photos, videos, text, data, images and other electronic works, and engage in social networking.

**Class 45:** Legal services; security services for the protection of property and individuals; copyright management; adoption agency services; arbitration; babysitting, house sitting, pet sitting; baggage inspection for security purposes; funeral services; clothing rental; personal body guarding; rental of fire alarms; civil protection services; detective agencies; registration of domain names (legal services); personal background investigations; lost property services; horoscope casting services; fire-fighting; intellectual property monitoring, licensing and consultancy; security consultancy; escorting in society (chaperoning); licensing of computer software (legal services); security guard services; lost property return; missing person investigations; inspection of factories for safety purposes; marriage agencies; Internet based introduction, social networking and dating services; providing information in the field of genealogy.

In accordance with Section 51 of the Trade Marks Act, 2013 and Rule 19 of the Trade Marks Rules, 2015 any person may, within three months of the publication of the application for registration of the trade mark give notice in duplicate to the registrar indicating opposition to the registration of the Trade Mark to which the application relates.
